- Complete this form if you are purchasing a seasonal cart rental. Once purchased, a seasonal cart rental allows you to use a Mayflower cart for free anytime you golf during the season.

#### RULES

- Single yearly rentals are to be used ONLY by the individual stated below. Anyone sharing the cart must pay the regular per-person cart rental rate.
- Couple/Family yearly rentals include one cart per family per golf outing, unless you purchase the "2 cart" option. A family is defined as an immediate family.
